## Desiree Green

*Vice President and Head of Emerging Markets*  
International Government Affairs

*Independent Director*  
A.F.P. Habitat S.A. , Board of Directors

Desiree Green is Vice President and Head of Emerging Markets in the International Government Affairs group of Prudential Financial. Serving in this global corporate role from Washington, D.C., Ms. Green supports Prudential's engagement on public policy and regulatory issues with governments around the world and works to expand the company's presence in Africa, Asia, and Latin America. Ms. Green also serves as an Independent Director for the joint venture of Prudential in Chile, A.F.P. Habitat S.A.

Ms. Green represents Prudential at international trade and industry associations, serving as co-chair, American Council of Life Insurers (ACLI) Japan and India committees; and, Board of Advisors, Inter-American Dialogue / Financial Services Advisor. She is the Prudential delegate to the CEO Summit of the Asia-Pacific Economic Cooperation (APEC) and the Asia-Pacific Financial Forum.

A specialist in International Development, Ms. Green has developed strategies to promote growth in the financial and economic sectors in more than 20 countries. While at the World Bank, Ms. Green received the prestigious *President's Award for Excellence* as team leader for projects supporting private and financial sector development in East Asia and the Pacific. Ms. Green also served on Capitol Hill as Press Secretary and Speech Writer to U.S. Rep. Timothy Roemer, former U.S. Ambassador to India.

Ms. Green holds degrees from Harvard University and the College of William and Mary. Over 25 years, her volunteer work has focused on youth development. She co-founded the non-profit Kids to Kids and served ten years on the Board of Directors of the National Capital Y.M.C.A. and Anthony Bowen Y.M.C.A. Born in Overland Park, Kansas, she resides in Washington, D.C., with her husband, Timothy Reif, their children and Airedales.
